AT

Automatic Water Activated Gummed Tape Dispenser Machine

High-Speed Kraft Paper Tape Dispenser for Secure Carton Sealing

Water Activated Gummed Tape Dispenser

Automatic water-activated gummed (kraft paper) tape dispenser with 30cm/s speed, ideal for e-commerce, warehouses and eco-friendly packaging.

Key Features

- Tamper-evident permanent bond with carton for enhanced security
- High-speed dispensing at 30cm/s boosts packaging throughput
- Eco-friendly kraft paper tape – biodegradable and recyclable

Specifications

Parameter	Value
Voltage	210-230V
Tape Width	4-8cm
Power	200W
Speed	30cm/s
Weight	12kg
Tape Type	Water Activated Gummed Tape (Kraft Paper)

1150D

Automatic Label Dispenser & Stripping Machine

LCD Counter-Type Auto Label Peeler with Auto-Sensing

Automatic label stripping machine with LCD counter, auto-sensing, tool-free adjustment, suitable for self-adhesive labels 6-140mm wide.

Key Features

- Auto-sensing technology – next label advances immediately after pickup
- Built-in LCD counter for accurate production monitoring
- Tool-free adjustment fits labels 6-140mm wide, no maintenance required

Specifications

Parameter	Value
Type	Counter-type
Suitable Label Width	6-140mm
Suitable Label Length	4-200mm (freely adjustable)
Label Peeling Speed	250cm/min
Max. Roll OD	250mm
Inner Core	≥25mm
Power Supply	AC 110V/220V 50Hz/60Hz
Dimensions (L×W×H)	210×210×220mm
Net Weight	4.5kg

ZCUT-2

Automatic Disc Tape Cutting Machine for Cable Harness

Turntable-Style Auto Tape Dispenser 3-25mm Width

Disc Tape Cutting Machine

Compact turntable (disc) tape cutter, cuts 13-59mm lengths, ideal for cable harness taping with protective film, transparent and heat tape.

Key Features

- Precise straight & parallel cuts for professional taping results
- Supports multiple core sizes (25/32/75mm) for flexible tape inventory
- Compact ABS body with anti-jam design, ideal for cable harness workstations

Specifications

Parameter	Value
Cutting Length	13-59mm
Tape Width	3-25mm
Max. Roll OD	130mm
Inner Core	25mm / 32mm / 75mm
Body Material	ABS
Power Supply	AC110V 60Hz / AC220V 50Hz
Dimensions (W×H×D)	130×165×170mm
Applicable Tapes	Protective film, transparent tape, heat tape, textured paper tape

ZCUT-80

Automatic Wide Film Tape Cutter (8-80mm)

Super-Wide Automatic Tape Dispenser with LED Digital Display

Key Features

- Wide 8-80mm capacity handles protective film, PET, PE and adhesive tapes
- LED digital length setting (20-999mm) with stepper motor for high accuracy
- Stainless steel case designed for 24-hour continuous industrial operation

Specifications

Parameter	Value
Input Voltage	AC100-240V 50Hz/60Hz
Power	50W
Available Width	8-80mm
Available Length	20-999mm
Tape Conveying Speed	50Hz: 44 sheets/min; 60Hz: 47 sheets/min (100mm length)
Max. Roll OD	300mm
Dimensions (W×D×H)	245×335×270mm
Weight	5.5kg

8-80mm wide tape & film cutter with LED digital display, stepper motor, stainless steel case, supports sticky and non-sticky tapes.

RT-3000

Automatic Carton Sealing Tape Cutting Machine

One-Touch Carousel Tape Dispenser for PVC, Cloth, Glass, PP, Double-Sided Tape

Carton Sealing Tape Cutting Machine

One-button automatic tape dispenser with carousel feed, cuts 3-25mm wide tapes 10-60mm long, supports PVC, cloth, glass filament, PP and double-sided tape.

Key Features

- One-button dispensing & cutting – tape presented ready for immediate sealing
- Carousel feed prevents curling; handles slim tapes down to 3mm width
- Replaceable blades need no adjustment; supports PVC, cloth, glass, PP, double-sided tape

Specifications

Parameter	Value
Input Voltage	AC220V 50Hz
Power	160W
Available Width	3-25mm
Available Length	10-60mm
Dimensions (L×W×H)	310×180×240mm
Weight	3kg
Applicable Tapes	PVC, cloth, glass filament, PP, double-sided, caution tape, etc.

ZCUT-8

Desktop Automatic Tape Dispenser 3-25mm Width Electronic Cutter

Compact Carousel Desktop Tape Dispenser, One-Button Operation

Key Features

- One-button carousel dispensing – easy to use on any desktop
- Universal 110-240V voltage, low 25W power consumption
- Handles PVC, cloth, glass, PP, double-sided and caution tape (3-25mm)

Specifications

Parameter	Value
Input Voltage	AC110-240V 50Hz/60Hz
Power	25W
Cutting Length	10-60mm
Tape Width	3-25mm
Body Material	ABS
Dimensions (L×W×H)	310×180×240mm
Weight	3kg
Applicable Tapes	PVC, cloth, glass, PP, double-sided, caution tape, etc.

Compact desktop electronic tape dispenser, 3-25mm width, 10-60mm length, one-button carousel feed, universal 110-240V voltage.

X-130

Compact Automatic Label Dispenser & Peeler Machine

Small Footprint Label Stripper with Auto Liner Rewind, 5-130mm

Label Dispenser & Peeler Machine

Compact low-profile automatic label peeler with auto liner rewinding, high-torque motor, handles labels 5-130mm wide and up to 250mm roll diameter.

Key Features

- Automatic liner rewinding keeps workspace clean, ideal for long labels
- High-torque motor handles large rolls up to 250mm diameter
- Compact low-profile design perfect for small labels and tight workspaces

Specifications

Parameter	Value
Voltage	110V/220V 50Hz/60Hz
Stripping Speed	130mm/sec
Label Width	5-130mm
Label Length	15-200mm
Max. Roll OD	250mm
Dimensions (L×W×H)	166×174×280mm
Features	Auto liner rewind, high torque motor, multi-label compatibility

ZCUT-9

Automatic Tape Dispenser Cutter for Packing & Industrial Use

All-in-One Tape Cutter with 6 Memory Presets, Dual-Roll Cutting 6-60mm

Versatile industrial tape dispenser, cuts 5-999mm lengths, 6 memory presets, dual-roll simultaneous cutting, handles adhesive & non-adhesive tapes 6-60mm.

Key Features

- 6 memory presets & 3 modes (auto/circulation/count) streamline repetitive tasks
- Cuts two rolls simultaneously; supports adhesive AND non-adhesive tapes 6-60mm
- Wide 5-999mm cutting length covers small electronic parts to large carton sealing

Specifications

Parameter	Value
Available Width	6-60mm
Available Length	5-999mm
Tape Transfer Speed	200mm/sec
Max. Roll OD	300mm
Body Material	Anti-static ABS resin
Power Supply	AC110V/220V 50Hz/60Hz 18W
Dimensions (L×W×H)	213×140×116mm
Weight	2.5kg
Memory Presets	6 lengths
Dual Roll Cutting	Yes (simultaneous)

**ZCUT-
200**

200mm Wide Electric Industrial Tape Cutter Dispenser

Heavy-Duty Wide Tape Dispenser with LED Display & Stepper Motor

20-200mm extra-wide industrial tape cutter with LED digital display, photoelectric sensor, stainless steel case for 24/7 heavy-duty use.

Key Features

- Extra-wide 20-200mm capacity for wide protective films and industrial tapes
- LED digital length setting (20-999mm) with stepper motor precision
- Stainless steel case engineered for 24/7 continuous heavy-duty operation

Specifications

Parameter	Value
Tape Width	20-200mm
Cutting Length	20-999mm
Max. Roll OD	300mm
Display	LED digital tube
Motor	Stepper motor
Detection	Photoelectric switch (glue detection)
Housing	Stainless steel
Duty Cycle	24 hours continuous operation
Tape Compatibility	All sticky and non-sticky tapes/films

M-1000

Automatic Electric Adhesive Tape Dispenser & Cutter

Pull-and-Go Electric Tape Cutter with LED Display, 7-50mm

Tape Dispenser & Cutter M-1000

Key Features

- Pull-to-dispense operation – simple, intuitive and fast
- Replaceable cutter cassette allows easy jam clearing and maintenance
- Auto & manual modes with length memory; optional dual-roll holder available

Specifications

Parameter	Value
Usable Tape Width	7-50mm
Cutting Length	20-999mm
Max. Roll OD	180mm
Power	18W
Voltage	220V/50Hz (standard); 110V/60Hz (custom)
Dimensions (D×W×H)	245×137×150mm
Gross Weight	3.5kg
Operation Modes	Automatic & Manual

Classic electric adhesive tape dispenser, 7-50mm width, 20-999mm length, pull-to-dispense operation, auto & manual modes, replaceable cutter cassette.

RT-3700

Automatic Desktop Tape Dispenser for Masking & Mylar Tape

Narrow & Soft Tape Specialist – High-Temp, Masking, Mylar 3-25mm

Key Features

- Specialized for narrow & soft tapes – masking, Mylar, high-temperature tape
- Movable sensor sets turntable stop position and cut piece count
- Bobbin-free design accepts any core size; blades easy to change without adjustment

Specifications

Parameter	Value
Suitable Tape Width	3-25mm
Cutting Length	15-70mm (freely adjustable)
Max. Roll OD	160mm
Inner Core	Any size (bobbin-free)
Body Material	ABS
Power Supply	AC100V 50Hz / AC220V 60Hz
Dimensions (W×H×D)	126×150×258mm
Applicable Tapes	Masking tape, Mylar tape, high-temperature tape, narrow soft tapes

Desktop tape dispenser designed for narrow & soft tapes such as masking, Mylar, high-temperature tape, 3-25mm width, 15-70mm length.
